We are thrilled to announce our new collaboration with the Linz City Women's Office and the Linz City LGBTIQ\* Department. This year, as part of the festival, we are organizing a **Queer & Feminist Day** on Saturday, October 13, dedicated specifically to the themes of intersectional feminism, women's rights, and LGBTQ+ rights.

All screenings on this day are **entirely free** for the public. It's an excellent opportunity for everyone to come together, enjoy some thought-provoking films, and celebrate diversity and inclusion.

Please remember to pick up your **TICKET** at Festival Lounge or City Kino 30 minutes before each screening block.
